

Sessions of Interest for Young Investigators and First Time Attendees

Friday, October 9	Saturday, October 10	Sunday, October 11	Monday, October 12
Gerald Aurbach Lecture: Bone, Fat and Energy Regulation 8:00 am – 9:30 am Hall 4A	ASBMR Networking Breakfast 6:45 am – 8:00 am Room 6B	Louis V. Avioli Lecture: Hypophosphatasia: The Journey to Treatment 8:00 am – 9:30 am Hall 4A	Career Development Session: Moving on in Your Career: How to Make Successful Transitions 11:30 am – 12:30 pm Room 606-607
Highlights of the ASBMR 2015 Annual Meeting 10:00 am – 11:30 am Hall 4A	ASBMR/ECTS Clinical Debate: The Diagnosis of Osteoporosis Should Be Changed to Include Patients at High Fracture Risk Rather Than Being Based on a T-score 8:00 am – 9:30 am Hall 4A	Publications Workshop: Increase Your Chances of Getting Published 11:30 am – 12:30 pm Room 606-607	Poster Session III 12:30 pm – 2:30pm Discovery Hall-Hall 4BC
Grant Writing Workshop: How to Connect Your Specific Aims to Your Hypotheses 10:00 am – 11:30 am Room 606-607	Small Ways to Utilize Big Data in Your Research 11:30 am – 12:30 pm Room 6B	ASBMR Task Force Presentation 11:30 am – 12:30 pm Room 6B	Plenary Symposium: Bone Health in Patients Treated for Cancer 2:30 pm – 4:00 pm Room 6E
Welcome Reception and Plenary Poster Session 5:30 pm – 7:00 pm Discovery Hall-Hall 4BC	Understanding NIH Career Development K Awards: Opportunities and Challenges 11:30 am – 12:30 pm Room 606-607	Poster Session II & Poster Tours 12:30 pm – 2:30pm Discovery Hall-Hall 4BC	NIH Lounge 10:00 am – 2:30 pm Discovery Hall-Hall 4BC
NIH Lounge 5:30 – 7:00 pm Discovery Hall-Hall 4BC	Poster Session I & Poster Tours 12:30 pm – 2:30pm Discovery Hall-Hall 4BC	ASBMR Annual Town Hall Meeting and Reception 6:00 pm – 7:00 pm Room 6A	Young Investigator, Diverse Member and New Member Lounge 10:00 am – 2:30 pm Discovery Hall-Hall 4BC
Young Investigator, Diverse Member and New Member Reception 5:30 pm – 7:00 pm Discovery Hall-Hall 4BC	NIH Lounge 10:00 am – 5:00 pm Discovery Hall-Hall 4BC	NIH Lounge 10:00 am – 5:00 pm Discovery Hall-Hall 4BC	Closing Reception 4:00 pm – 5:00 pm Atrium Lobby, Level 4
Young Investigator Networking Hour 7:15 pm – 8:00 pm Sheraton Seattle-Grand Ballroom A	Young Investigator, Diverse Member and New Member Lounge 10:00 am – 5:00 pm Discovery Hall-Hall 4BC	Young Investigator, Diverse Member and New Member Lounge 10:00 am – 5:00 pm Discovery Hall-Hall 4BC	
	Preclinical Science Evening – Bone Cells: From Genetic Manipulation to the Epigenome 6:30 pm-8:30 pm Room 6A	Diversity Happy Hour 7:30 pm– 8:30 pm Sheraton Seattle-Metropolitan Ballroom A	
	Clinical Evening – Current Issues in Osteoporosis 6:30 pm – 8:30 pm Room 606-609		
	Networking Event: Seattle Rocks! 8:30 pm – 11:30 pm Sheraton Seattle-Grand Ballroom		

Key: Career Development Networking Scientific Sessions Other

Ongoing Opportunities

ASBMR Networking Center

Located in the Exhibit Hall Foyer, the ASBMR Networking Center is a central spot to meet up with old colleagues and to make new connections. It's also a great place to meet our friendly ASBMR staff and enjoy free WiFi.

Meet-the-Professor Sessions

The Meet-the-Professor sessions are informal sessions designed to provide an opportunity to interact with experts in an intimate setting and discuss specific clinical and research topics. The sessions will be held Friday through Monday. Handout booklets will also be available in PDF format for download, through the ASBMR itinerary builder and mobile app, in advance of the meeting at no charge to meeting attendees and ASBMR members. A full list of sessions can be found on page 11 of the preliminary program, and in the itinerary builder and mobile app.

Poster Tours

Back by popular demand, the Annual Meeting Poster Session Tours will take place during each of the three poster sessions on Saturday, October 10 and Sunday, October 11. These poster tours will be guided by prominent scientists in the bone field to assist attendees in navigating the science within the poster hall. Participants will be able to choose between tours focused on either basic or clinical science. The tours will begin at the ASBMR Networking Center located in Discovery Hall in the Convention Center and will last approximately 60 minutes. Please visit the ASBMR website in mid-September to sign up to attend one of these exciting poster tours.

Working Groups

Working Groups are small interactive evening sessions organized around focused topics of special interest to you and others in your specific area of study. They are part of the ASBMR Ancillary Program and are organized by members independent of the official ASBMR program. More information is available in the Preliminary Program and in the itinerary builder and mobile app. Additional tickets are required.

NIH Lounge

Representatives from the U.S. National Institutes of Health (NIH) and the Center for Scientific Review (CSR) will be available in the NIH Lounge in the ASBMR Networking Center to discuss grant proposals and ideas. Program staff from the following institutes and centers will be available to talk with you: National Institute of Arthritis and Musculoskeletal and Skin Diseases (NIAMS), National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK), National Cancer Institute (NCI), National Institute of Dental and Craniofacial Research (NIDCR), National Institute on Aging (NIA), National Institute of Child Health and Human Development (NICHD), and Center for Scientific Review (CSR).

Young Investigator, Diverse Member and New Member Lounge

All young investigators, diverse members and new member attendees are invited to visit the Lounge, located in the Discovery Hall. Don't miss this opportunity to make new friends and expand your network of colleagues.
