Conflict/Duality of Interest
Summary, Agreement, and Disclosure Form

The ASBMR protects itself and its reputation by ensuring impartial decision-making. Accordingly, the ASBMR requires all ASBMR Officers, Councilors, Committee Chairs, Editors-in-Chief, Associate Editors, and certain other appointed representatives to disclose any real or apparent conflicts of interest (including investments or positions in companies involved in the bone and mineral metabolism field), as well as any duality of interests (including affiliations, organizational interests, and/or positions held in entities relevant to the bone and mineral metabolism field and/or the ASBMR). **It is essential that this form be completed in full and updated as needed.** [The ASBMR Policy](#), provides guidance about specific conflict of interest situations. The Ethics Advisory Committee, working with the Nominating Committee, has been established and is available to help ASBMR members determine their eligibility to serve as Society leaders. **If you have any questions or comments, please contact ASBMR at asbmr@asbmr.org.**

Please select A or B below, as appropriate and select C if you have no past disclosures. If you have past non-active disclosures please complete Table 1 of this form:

- A.** Please check here to indicate that there are no circumstances of which you are aware that create an actual or potential conflict or duality of interest.
- B.** Please check here and disclose below all instances in which you have any of the following relationships with any company or organization relevant to the bone and mineral metabolism field. Please list each corporation and organization, select how you serve, provide details on your role, and indicate whether the recipient of funding is your institution or you as an individual and the amount of funding; please include consulting, speaking or other fees, honoraria, gifts, licensing revenues (royalty income), equity interests (including stocks, stock options, warrants, partnership and other equitable ownership interests). When selecting the appropriate range of funding, please note that this should include the total amount of funding received within the current year. Please also complete the last section (Table No. 6) regarding all non-active disclosures for the past three years.
- C.** Please check here to indicate that you have no past non-active disclosures to report for the past three years.

I, _____, have read and understand this Form and consulted the additional, explanatory information about identifying and handling Conflicts/Dualities of Interest at ASBMR contained in the *ASBMR Conflict of Interest Policy* and the *Ethics Policy and Guidelines For The Leadership of The American Society for Bone and Mineral Research* and hereby identify any potential conflicts/dualities of interest that may arise in my capacity as an ASBMR Officer, Councilor, Committee Chair, Editor-in-Chief, Associate Editor, or other appointed representative.

I understand that in any instance where I have a real or apparent conflict/duality of interest, whether I have reported it previously or whether it is new, I must immediately disclose that conflict/duality if a related issue arises for discussion and/or vote. Then my colleagues in the ASBMR group where I am serving (e.g., Council, Committee, and Editors), shall determine whether, and if so by how much, I may participate in the discussion, and whether I may vote.

I acknowledge that full compliance with ASBMR Conflict/Duality of Interest rules is a condition to serve and continue to serve as an ASBMR Officer, Councilor, Committee Chair, Editor-in-Chief, Associate Editor, or other appointed representative, I agree to abide by these rules.
