Poster Information for the ASBMR Symposium:
Bone–Omics: Translating Genomic Discoveries into Clinical Applications

All poster presentations at the ASBMR Symposium: Bone–Omics: Translating Genomic Discoveries into Clinical Applications will take place in Room A411 of the Georgia World Congress Center in Atlanta, Georgia, USA.

Please adhere to the presentation time to maximize interaction with other attendees:

Poster Set-Up	Posters Open	Authors Present	Dismantle Posters
Thursday, September 15, 2016			
8:00 am – 9:00 am	9:00 am– 5:15 pm	10:45 am – 11:30 am Poster Viewing Session #1 1:00 pm – 2:00 pm Lunch and Poster Viewing Session #2	5:15 pm – 6:00 pm *All posters must be dismantled by 6:00 pm*

Please note: This poster presentation is <u>in addition</u> to your already scheduled presentation at the ASBMR 2016 Annual Meeting. All posters presented at the Symposium must be dismantled on Thursday, September 15 by 6:00 pm.

General Poster Instructions
- Poster boards are four feet high and eight feet wide (4' x 8'). They are made to accept push pins or Velcro fasteners, which you must supply.
- Poster material must be prepared in advance and be large enough to be viewed from a distance of three feet (90 cm.)
- Each poster must have a label at the top listing the title of the paper and the names and affiliations of authors. Characters in the title must be at least one inch (2.5 cm) high.
- Drawings should be simple with bold lines.
- Supply your own push pins or Velcro fasteners for mounting materials to poster boards.
- Authors must be at their posters during all designated poster sessions and must be available to answer questions during the period specifically prescribed for the presentation of their posters.
- ASBMR accepts no liability for posters or poster materials and will not adjudicate disputes between abstract presenters.
- Please note that children 12 years of age and under will not be permitted in the poster area or the exhibit hall at any time.
- Posters must be removed during the dismantling hours. **Posters that remain after that time will be discarded.**
