- Each poster must have a label at the top listing the title of the paper and the names and affiliations of authors. Characters in the title must be at least one inch (2.5 cm) high.
- Drawings should be simple with bold lines.
- Supply your own push pins or Velcro fasteners for mounting materials to poster boards.
- Authors must be at their posters during the designated poster session and must be available to answer questions during the period specifically prescribed for the presentation of their posters.
- Poster numbers will be listed in the 2013 Abstracts book prefixed with a letter which denotes the day of presentation i.e., FR (Friday) SA (Saturday) SU (Sunday), MO (Monday).
