Accreditation Statement

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Institute for the Advancement of Human Behavior (IAHB) and American Society of Bone and Mineral Research. The [IAHB] is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement

The IAHB designates this live activity for a maximum of 13.75 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Satisfactory completion

Participants must complete an attendance/evaluation form in order to receive a certificate of completion/attendance. Your chosen sessions must be attended in their entirety. Partial credit of individual sessions is not available.

Objectives - After attending this program Participants will be able to:

1. Define the pattern and mechanisms for bone and muscle interactions during development.
2. Understand the mechanisms involved in the parallel loss of muscle and bone with increasing age.
3. Identify the common mechanisms influencing bone and muscle mass.
4. Identify the cellular and molecular mechanisms responsible for the positive effects of exercise on muscle and bone.
5. Identify gaps in knowledge regarding the role of muscle on bone.
6. Identify evolving and novel therapeutic approaches targeting bone and/or muscle.
7. Based on the proceedings of the meeting, identify a framework for future research in this field and the key questions that need to be addressed, both at a basic and clinical level.

Statement of Disclosure

All faculty/speakers, planners, abstract reviewers, moderators, authors, co-authors and administrative staff participating in the continuing medical education programs jointly sponsored by ASBMR are expected to disclose to the program audience any/all relevant financial relationships related to the content of their presentation(s).

The list below includes all individuals in control of content for this CME activity

Financial Relationship Key

G-Grant/Research Support
C-Consultant/Scientific Advisor
S-Speaker 's Bureau
E-Employee
M-Stockholder
O-Other
N-Nothing to disclose

Resolution Key

R1-Restricted to Best Available Evidence & ACCME content validation statement
R2-Removed/Altered Financial Relationship
R3-Altered Control
R4-Peer Review with 2nd method of resolution
N/A-Not Applicable
