

SOFT BONES OFFERS SECOND RESEARCH GRANT

The Soft Bones Foundation, (www.softbones.org), was founded in 2009 to address hypophosphatasia. Soft Bones announces that it will again award a research grant this year and is inviting submissions of applications for funding. This is a onetime seed grant of \$25,000 for basic or clinical research directly related to hypophosphatasia. For further information call Soft Bones at 973.453.3093.

APPLICATION FOR SOFT BONES HYPOPHOSPHATASIA RESEARCH GRANT

The Soft Bones Foundation is offering a one time “seed grant” of \$25,000 for basic or clinical research directly related to hypophosphatasia. A qualified applicant must hold an MD,DDS, DO, or PhD degree and have a faculty level appointment at an academic institution that will manage the award. This grant cannot be used for Investigator salaries or indirect costs.

Please submit your application as a PDF to Jane@softbones.org no later than July 1, 2013. Applications will be reviewed by the Soft Bones Scientific Advisory Panel.

APPLICANT INFORMATION (please print)

Name: _____

Address: _____

City: _____ State: _____ Zip Code: _____

Daytime telephone: _____ Cell phone: _____

Email address: _____

Education, professional training, and positions held (in chronological order beginning with college), or include NIH bio sketch.

Institution	Location	Dates of Attendance or Position	Degree	Area of Study

RESEARCH ABSTRACT

Please explain your proposed research in no more than 250 words.

RESEARCH PLAN

Limit to no more than four pages. You may add up to two additional pages for figures and cited references. Please provide in PDF format after this page.

Address each of the following topics:

1. Objectives
2. Background for the problem/question/hypothesis you will address
3. Methods and procedures you will use
4. Relationship to hypophosphatasia

BUDGET

Provide below an itemized budget and narrative justification.

	Amount	Explanation
Personnel		
Equipment		
Supplies		
Other		
Total		

If you have requested support elsewhere, or have funding for this type of research, describe the other sources and any work overlap below.

If IRB or animal committee approval is required for your proposed hypophosphatasia research, it must be obtained within a reasonable time frame before Soft Bones funding will be released.

APPLICANT'S STATEMENT

I certify to the best of my knowledge that all statements and information contained in this application are true, complete, and made in good faith.

I authorize Soft Bones to investigate all statements and/or information in this application as necessary to arrive at an award decision.

Signature _____ Date _____

INSTITUTION FINANCIAL OFFICER

Please provide the name, contact information, and signature of the financial officer who will receive and agree to manage the research funds.
